

FLINTA* JAM

by Resonance

FLINTA* stands for female, lesbian, intersex, nonbinary, transgender, agender and *genderqueer.

This jam format is intended to be a safe space, where FLINTA* individuals can feel comfortable playing together on stage. As with our regular Resonance jams, we provide instruments such as electric guitars, bass and piano, a drumset, as well as microphones. Whether it's your first time playing or you've been performing for years – we invite you to grab an instrument and join in.

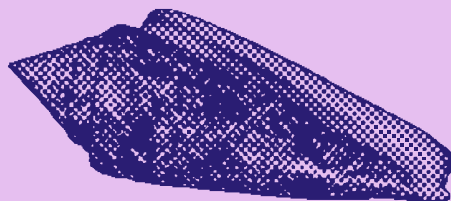

Join us at our FLINTA* jams in 2026:

19:00–22:00 at Werk 21 (Dynamo)

As the music scene is still heavily male-dominated – which is also reflected in jam sessions, where the majority of people on stage are often cis men – we especially want to encourage FLINTA* people to take an active role within it. Therefore we are organising a monthly recurring special format in addition to our regular Resonance jams at Werk 21 at Dynamo.

We also welcome cis men as part of the audience and as supporters, provided they respect that the stage and the spotlight of these events belong to the FLINTA* community.
